

## 12. Bent Tree

The second road northerly at the edge of Middleburgh along Route 145 is the Cotton Hill Road No. 66. A distance of 1.6 miles up this road it forks, the Lower Cotton Hill Road following the waters of Stony Creek. About 0.9 miles on the west side of the road is Bent Tree. It is a huge White Ash which in its early growth had a side branch bent upward a la Indian Trail Marker. It has grown into a huge double stemmed tree which may have been fashioned
