# Outdoor RECREATION

#### NATURE TRAILS

The Meadowbrook Nature Preserve is a 44-acre park available for passive recreational opportunities. What was once farmland is now a dedicated preserve. The Town of Queensbury and the Warren County Soil and Water Conservation District teamed up to develop the 1.5-mile trail system complete with interpretive signage. The signs along the trailway will guide you through the preserve while teaching about the resident plants and animals and their habitats.

#### **CHECK OUT OUR OTHER PARKS!**

#### **MOUNTAIN BIKING**

These trails are great for mountain biking. Want to try another trail system? Grab your bike and head on over to one of our other parks:

- Gurney Lane Recreation Area
- Hudson Pointe Nature Preserve
- Feeder Canal Park

#### FISHING

Upstate New York offers many great opportunities for anglers. Did you know that many of our town parks are available for fishing? Give one of these a try:

- Gurney Lane Recreation Area
- Hudson River Park
- Glen Lake Canoe Access
- Feeder Canal Park
- Hovey Pond Park

#### **SNOWSHOEING & WINTER HIKING**

It's important to get out in the fresh air even in the colder months. Snowshoeing and winter hiking can also be enjoyed at some of our other parks, including:

- Gurney Lane Recreation Area
- Hovey Pond Park
- Jenkinsville Park
- Feeder Canal Park
- Hudson Pointe Nature Preserve
