

**ENTITY INFORMATION**

	<b>Project Title:</b> Generators for Critical Facilities	<b>Project Submission Date:</b>
	<b>Entity:</b> Bolton	<b>Contact:</b> Ron Conover

**PROJECT INFORMATION**

<b>Project Priority:</b> High	<b>Project Type:</b> New	<b>Is this Project in the Hazard Mitigation Plan?</b> Y	<b>Project Category:</b> Facilities
-------------------------------	--------------------------	---	-------------------------------------

**Project Description:**  
 Critical facilities require backup power to maintain essential functions during and after disaster events. The Town will purchase and install permanent fixed generators and necessary electrical components at the following facilities: - Town Hall/Police - Bolton Fire District - Community Center

**Comments:**

**Project Location:**

The map shows the Bolton Landing area with a blue location pin. Key features include the Riverbank, Pilot Knob, and the surrounding Mountain Range. The map also shows State Route 9, Schroon River Rd, and Mount Hope Brook. The elevation of the area is noted as 2649 ft. The map is powered by Esri.
