Project Description:
 The Town Highway Department has identified numerous culverts in need of upsizing. Culverts have previously been damaged due to deficiencies. 2019 flooding resulted in significant damage and roadway washouts. The following culverts will be replaced and upsized: -8 culverts on Wall Street -12 culverts on E. Schroon River Road -8 culverts on S. Trout Lake Road -5 culverts on Upper/Lower Breton with catch basins -7 culverts on Finkle Road -8 culverts on Mohican Road, 3 with catch basins
