

ENTITY INFORMATION

	Project Title: Culvert Replacement and Upsizing	Project Submission Date:
	Entity: Bolton	Contact: Ron Conover

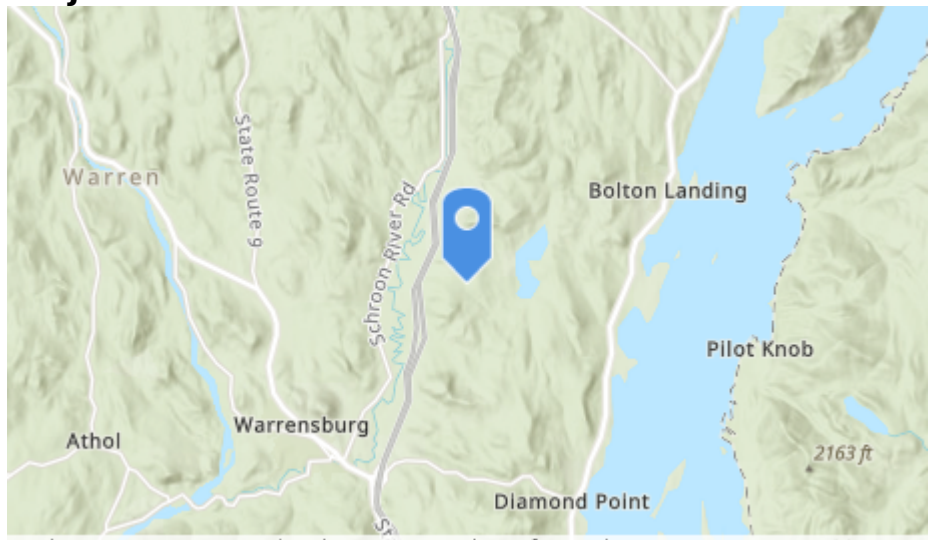

PROJECT INFORMATION

Project Priority: High	Project Type: Replacement	Is this Project in the Hazard Mitigation Plan? Y	Project Category: Stormwater
-------------------------------	----------------------------------	---	-------------------------------------

Project Description:
 The Town Highway Department has identified numerous culverts in need of upsizing. Culverts have previously been damaged due to deficiencies. 2019 flooding resulted in significant damage and roadway washouts. The following culverts will be replaced and upsized: -8 culverts on Wall Street -12 culverts on E. Schroon River Road -8 culverts on S. Trout Lake Road -5 culverts on Upper/Lower Brerton with catch basins -7 culverts on Finkle Road -8 culverts on Mohican Road, 3 with catch basins

Comments:

Project Location:

The map displays a topographic view of the area around Bolton Landing, New York. A blue location pin is placed on Schroon River Rd. Other labeled locations include Warren, Athol, Warrensburg, Diamond Point, and Pilot Knob. A road labeled 'State Route 9' is also visible. The map includes a scale of 2163 ft and is powered by Esri.
