

ENTITY INFORMATION

	Project Title: Middleton Bridge Replacement	Project Submission Date:
	Entity: Bolton	Contact: Ron Conover

PROJECT INFORMATION

Project Priority: High	Project Type: Replacement	Is this Project in the Hazard Mitigation Plan? Y	Project Category: Transportation
-------------------------------	----------------------------------	---	---

Project Description:
 The Middleton Bridge (a historic structure) is located in the Towns of Bolton and Warrensburg and crosses the Schroon River. The bridge is failing and has been closed. A replacement bridge is needed. The County will acquire property to build a new bridge in a different location. Once property rights are secured, the County will construct the bridge to withstand a 500-year flood event.
