	Project Title: Critical Facilities Backup Power	Project Submission Date:
	Entity: Chester	Contact: Craig Leggett

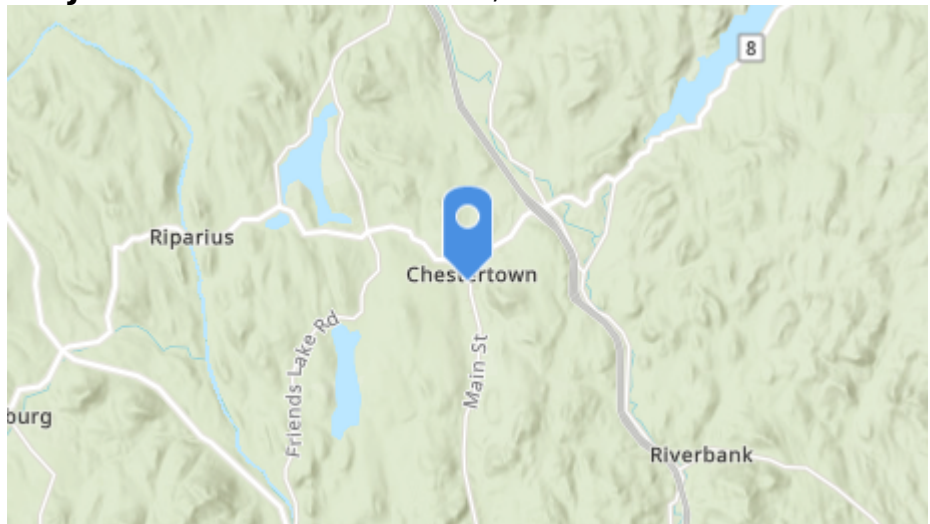

PROJECT INFORMATION

Project Priority: High	Project Type: New	Is this Project in the Hazard Mitigation Plan? Y	Project Category: Facilities
-------------------------------	--------------------------	---	-------------------------------------

Project Description:
 Town Hall Emergency Shelter, Hudson Headwaters, and North Warren Emergency Squad Headquarters (located in Chester, serves Chester and Horicon) lack backup power. When power is lost, the critical services they provide are also lost. The Town will purchase and install backup power and necessary electrical components at critical facilities. The Highway Department will be responsible for maintenance. The Town Municipal Center will require a 150kW generator.
