

ENTITY INFORMATION

Project Title: Critical Facility Backup Power

Project Submission Date:

Entity: Glens Falls

Contact: Steve Gurzler

PROJECT INFORMATION

Project Priority: High

Project Type: New

Is this Project in the Hazard Mitigation Plan? Y

Project Category: Facilities

Project Description:

Critical facilities require backup power to maintain essential functions during and after disaster events. The City will purchase and install permanent fixed generators and necessary electrical components at the following facilities:

- WWTP
- All City district school
- City Hall
- Standby power for four or five lift/pumping stations
- Library (supplement current partial backup power.)
- The Pines (private nursing home)
- Stichman Towers (senior living) - replace older backup power system

Comments:

Project Location: Crandall Library
