

ENTITY INFORMATION

Project Title: CSO LTCP study of gravity sewer controlled portion of sewer

Project Submission Date: November 30, 2023 7:00 PM

Entity: Glens Falls

Contact: Steve Gurzler

PROJECT INFORMATION

Project Priority:	Project Type: Improvement	Is this Project in the Hazard Mitigation Plan? N	Project Category: Sewer
--------------------------	-------------------------------------	---	--------------------------------

Project Description:
There is a need to evaluate our gravity controlled sewers to confirm that they are still capable of handling flows. Also, many of the pipes are at an age where they need to be considered for replacing.

Comments:
System evaluation is complete - implement key recommendations including Washington Avenue and Maple Avenue Projects.

Project Location: Citywide
