------------------------------	--------------------------	---	---------------------------------

**Project Description:**  
 The Town is interested in developing a small scale solar farm, such as the one built in Saratoga Springs (or a bit smaller), to help offset energy use costs and reduce carbon footprint, while covering a certain percentage of municipal energy usage.

**Comments:**  
 Identified as a planning need pursuant to Climate Action Planning work and energy efficiency analysis work. Looking to go after potential CSC or NYSERDA funding, possibly to go at a Town owned property like the capped landfill, C&D pit, transfer station,
