

ENTITY INFORMATION

Project Title: Caldwell Sewer District Portable Pump

Project Submission Date: May 8, 2025 11:41 AM

Entity: Lake George Town

Contact: Dan Barusch

PROJECT INFORMATION

Project Priority: Low

Project Type:
ImprovementIs this Project in the
Hazard Mitigation Plan?
N

Project Category: Sewer

Project Description:

Portable Backup bypass pump

Comments:

The Town is in need of a backup bypass pump for the two Caldwell Sewer pump stations. During power outages and/or other issues within the pump stations that require the use of the bypass valves, the Town requires the use of the Village's Gorman Rupp bypass pump - the Town is in need of their own portable pump, considered emergency backup.

Project Location: Beach Road pumping station across from MDV Parking Lot

PROJECT PLANNING AND FINANCING

Estimated Cost: \$200,000
