

ENTITY INFORMATION**Project Title:** Critical Facilities Backup Power**Project Submission Date:****Entity:** Queensbury**Contact:** John Strough**PROJECT INFORMATION****Project Priority:** High**Project Type:** New**Is this Project in the Hazard Mitigation Plan?** Y**Project Category:** Facilities**Project Description:**

Critical facilities require backup power to maintain essential functions during and after disaster events. Mountain Lakes EMS lacks a generator and the generator for Town Hall requires replacement. The Town will purchase and install permanent fixed generators and necessary electrical components at critical facilities including Mountain Lakes EMS and Town Hall. DPW will be responsible for maintenance of the generators once installed.
