	<b>Project Title:</b> Transfer Center Compactor with Three Phase Power	<b>Project Submission Date:</b> June 10, 2020 7:00 PM
	<b>Entity:</b> Stony Creek	<b>Contact:</b> Frank Thomas

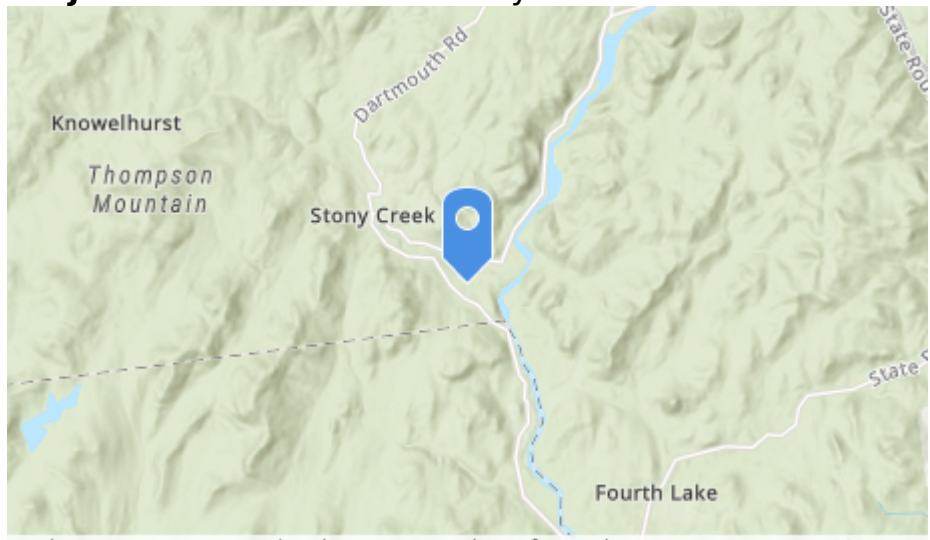

**PROJECT INFORMATION**

<b>Project Priority:</b> Medium	<b>Project Type:</b> Replacement	<b>Is this Project in the Hazard Mitigation Plan?</b> N	<b>Project Category:</b> Facilities
---------------------------------	----------------------------------	---	-------------------------------------

**Project Description:**  
 The current compactor at the town's transfer center was constructed by our highway dept. from an old garbage truck and is powered by a diesel engine. Changing power source to electric could involve getting National Grid to install 3phase electric to the

**Comments:**  
 I have searched compactors but have not gotten any quotes. The addition of 3 phase electric could also serve a possible business park and a solar power field on the covered landfill property

**Project Location:** Hill Rd Stony Creek
