PROJECT INFORMATION

Project Category: Parks**Project Type:**
Improvement**Priority:** Medium**Is this Project in the Hazard Mitigation Plan?** No**Project Description:**

The Hague Steamer Dock is located on Dock Road with public parking available. It is a popular spot for fishing (off the dock) and pickups/dropoffs of local fishing charters, like Justy Joe's. The wood on the dock is failing, and this year, replacements had to be made to several of the wooden boards, leaving the dock temporarily out-of-commission. While that has been fixed, eventually, the whole dock is going to need replacement or major improvements in order to stay useable.
