Project Description:
 The Caldwell Library is the Town and Village's main public library located in the heart of the Village, which is used by thousands of residents and visitors and other groups. The building is raised above current grade and lacks proper ADA access to either floor. The Town is proposing in conjunction with the Library Board of trustees, an expansion in the rear of the building which would host a new interior vestibule with a handicapped accessible lift.

Project Location: Caldwell Library, Canada Street

Project Phase: Design
