	Entity: Lake George Town	Contact: Rob Lanfear, Jr.

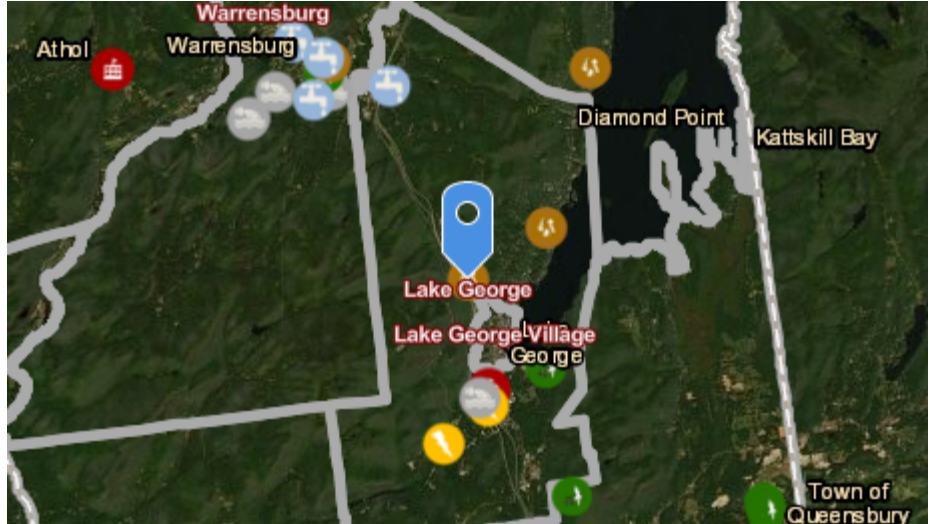

PROJECT INFORMATION

Project Priority: Low	Project Type: Improvement	Project Category: Transportation
------------------------------	----------------------------------	---

Project Description:
 The current Town-owned Bridge over Big Hollow Road is the only Town-owned Bridge that sees vehicular traffic and has yet to be continuously maintained or repaired. All other bridges in the Town’s boundaries are either State-owned or privately owned. The existing 32’ long x 14’ wide bridge infrastructure is that of a single lane, with a road/asphalt overlay on top of an old steel deck condemned bridge. The bridge is in dire need of repair.
