PROJECT INFORMATION

Project Priority: Medium	Project Type: New	Project Category: Facilities
---------------------------------	--------------------------	-------------------------------------

Project Description:
 The Town and the Stony Creek Free Library collaborated to design an 8,000 sq. ft. library and community center gathering facility for events both educational and recreational to benefit the town's economy by attracting visitors to these opportunities.

Comments:
 The Town and Library with grant money from NY State engaged Cedarwood Engineering to produce a design and conceptual drawings for this facility. The Town owns the property, across Lanfear Rd. is the Stony Creek Historical Assoc. and the Dean Trails. Across Stony Creek proper is the Town Park and recreation field. In the spring of 2021 a contract has been signed to construct a Pedestrian Bridge across the creek just above the dam connecting the Park with the property at 13 Lanfear and the Dean T.

Project Location: 13 Lanfear Road, Stony Creek, NY 12878
