Float Your Boat

From spring to late fall, Lake George abounds with sails and spinnakers in all sizes and colors. Wednesday night races, held throughout the summer, offer excitement for competitors and spectators alike. Whether on a sailboat, in a motorboat, or exploring the beautiful shoreline in a kayak, canoe or paddleboard, getting out on the water is a way of life in Bolton.

Enjoy the Arts

Located on a wooded peninsula on Lake George and listed on the National Register of Historic Places, the Sembrich Opera Museum contains artifacts, photographs, and memorabilia of Metropolitan Opera Diva Marcella Sembrich's life and career. Visitors are welcome at the museum and cultural space celebrating her life and the music she loved. Visit the Bolton Historical Museum to view rotating exhibits featuring local artists, and view and purchase more local art at the several galleries along our main street.

Bolton Landing on beautiful Lake George offers a wonderful vacation destination. Two public parks directly on the lake feature beaches, playgrounds, tennis courts, boat docking and summer concerts. Lake George is famous for its water quality, forested shorelines and many beautiful islands. Most islands are state-owned and available for camping or a relaxing picnic.
