

# Lily Pond and Round Pond Trails

## Horicon, New York

Difficulty: Easy  
Length: 5.2 miles roundtrip  
Time to Complete: 2.5-3 hours  
Trailhead Coordinates: -73.680, 43.695  
Trail Notes:

This is a nice walk to two pretty ponds, with several primitive campsites dotting their shores. Round Pond is stocked with rainbow trout. The trails, especially the Round Pond trail, can be quite wet, so these are good trails to explore during a dry stretch. If hiking during wet weather, be prepared for mud. The Lily Pond campsites are accessed via the Lily Pond trail, which turns off east of the pond and can be followed back to NY 8.

### Directions and Parking:

Take the Northway to Exit 25. Turn east onto NY-8 North and continue for approximately 3.8mi. Turn right onto Grassville Rd and continue approximately 3 mi to the end. There is a red camp at the end of the road. Park on the shoulder of the road. The trail begins next to the camp and continues for a short distance on private land before the state land begins; please be respectful of the landowner.
