Pack Forest offers a variety of trails for hiking. The mostly flat one mile Grandmother's Tree Nature Trail winds through an old growth hemlock-white pine forest and contains New York's historic trees. Interpretive signs along the trail illustrate the various plants and animals that make up the ecosystem.

**Directions and Parking:** Take the Northway to Exit 23. Turn left and then right onto US9. Go through Warrensburg, past the intersection with NYS 28. The entrance to Pack Forest will be about a half mile after this intersection on the left. Follow the entrance road and bear to the right for the parking area.
