

# Schroon River Road to Adirondack

## Bolton & Horicon, New York

Type: road  
Difficulty: easy  
Length: 29 miles roundtrip  
Time to Complete: 2 hours  
Elevation Gain: 766'

Directions and Parking: Take the Northway to Exit 24. Park in the parking area just off the highway.

Description of Ride: This ride starts at the Murray Memorial Bridge Parking Area in Riverbank. Head across Bolton Landing-Riverbank Road to ride north on Schroon River Road for five miles to Route 8. Continue across Route 8 to cross the Starbuckville Dam and then turn left onto East Schroon River Road. Continue on for about four more miles and then turn right onto East Shore Drive. Continue until you reach Johnson Road and the quiet hamlet of Adirondack.
