

Schroon Lake Loop

Chester, Schroon & Horicon, New York

Type: road
Difficulty: medium
Length: 26 miles roundtrip
Time to Complete: 2-3 hours
Elevation Gain: +12787-1287'

Directions and Parking: There are two places that you can park and start this ride from. The first is at the Horicon State Boat Launch Site on Glendale Road. The second is in the Town of Adirondack in the parking lot at the corner of Valentine Pond Road and Johnson Road.

Description of Ride: This ride goes all the way around Schroon Lake. The east side has challenging elevation changes but is very quiet. The west side is a busy highway. Riding in the clockwise direction is not recommended. Several miles of the east side of Route 9 has no shoulder necessitating sharing the travel lane with cars.
