

## We act as a link between local needs and federal/state funding programs.

The Lake Champlain-Lake George Regional Planning Board is an advisory body that consists of 30 members, six from each New York county that we represent.

## Support for Small Business

We support small businesses with financing when traditional lending opportunities are not available.

Our current loan portfolio consists of over 40 loans, totaling almost \$3.5 million.

NEW YORK

## Clinton County

Located along the U.S.-Canadian Border, the LC-LG Region's most northern county, Clinton County, competitive edge includes its close proximity to Canada. International trade and tourism help bolster the economy of the LC-LG Region's most northern county.

## Our Economic Development Role

Our services are directed at aiding local efforts that promote sustained economic growth and essential community services and development projects for local municipal governments and the business community.

We boost economic development, support investment, and create jobs in the North Country.
