Get back to nature in style with an authentic backcountry retreat at [Camp Orenda](#). At Orenda, you can relax and enjoy the pleasures of a camping experience in an authentic Adirondack inspired setting. As dusk descends, this deep-woods retreat glows creating a magical, ethereal feel. Orenda provides an escape from the bustle of our busy lives where you can wade barefoot in cool water, enjoy long and winding hikes, canoe in tranquil waters, and be surrounded by the soothing sounds of nature.

Orenda has a beautiful bathhouse and an open-air, heated shower where they provide biodegradable body wash, shampoo, and conditioner. There are two unisex bathrooms on-site that include heated seats, central washbasin, and personal storage. Skilled chefs provide all of your meals during your stay and can fit any dietary needs you may have. All of their Canvas Cabins are equipped with wood-burning inspired, electric heating stoves provided for your comfort.

Anticipated opening date: May 22, 2020.

Bed & Breakfast

If staying in a charming bed & breakfast is more your style, then [Goose Pond Inn](#) is the perfect place for you. The house was built in the 1890s and has been established as an Inn since 1987. The Inn is located right on Main Street, just a short walk from the heart of Downtown North Creek. They are also just a five-minute drive from Gore Mountain.

The Goose Pond Inn is the perfect place to stay for your ski vacation. You get a discount on your nightly rate, and on your lift tickets to Gore Mountain with their ski & stay packages. The longer you stay, the less you pay!

This dog-friendly Inn is a cozy spot to stay all year round in the walkable hamlet of North Creek. They also offer eight different breakfast options every day to make your stay unique and memorable.

They are excited to welcome guests back once they get the okay from government officials. They will be doing everything they can to keep guests safe while they enjoy all the Adirondacks have to offer.

Anticipated opening date: Not available at time of publication.

Rustic Retreat

[Llama House](#) was built for adventure enthusiasts by adventure enthusiasts and is nestled between towering pines and flowing brooks to provide the perfect nature retreat. Llama House offers a unique, social traveling experience with both private & shared rooms available for guest use. The common house spaces naturally lead to endless small-world connections and friendships that extend from the Adirondacks all around the globe.

Llama House is conscious of their global footprint and all of their furnishings are either reclaimed or locally sourced. They encourage guests to be eco-minded and partake in clothesline drying, composting, and the elimination of single-use items during their stay. They even have a section of their website where they help dogs find their forever families.

They have changed operations to only book out to 1 group at a time instead of a mixed community of travelers for the time being. They are also only accepting multiple-night travelers at the moment.

Anticipated opening date: May 22, 2020.
