Re: Gaslight Village Property

Dear Joan:

The Town of Lake George has essentially been the caretaker of the entire Gaslight Village property since it was purchased in 2008. We have recently submitted our estimate of mowing and maintenance thus far which is estimated to be approximately \$25,000. We are hoping to be reimbursed for this amount as soon as possible.

The Town will continue with the caretaking responsibilities indefinitely with periodic reimbursements from the County, unless other arrangements are made.

Sincerely,

Frank McCoy
Supervisor
