16 any lessees of the authority shall be required to pay water and sewer  
17 fees, water and sewer assessments or water and sewer special ad valorem  
18 levies, except that such taxing jurisdictions where the authority is  
19 required to pay real property taxes and special ad valorem levies and  
20 assessments pursuant to subdivision one of this section.

21 3. The authority may pay, or may enter into agreements with any muni-  
22 cipality, including school districts, to pay, a sum or sums annually or  
23 otherwise or to provide other considerations with respect to real prop-  
24 erty owned by the authority located within such municipality.

25 § 2681-h. Advances on behalf of authority; transfer of property to  
26 authority; acquisition of property for authority. 1. In addition to any  
27 powers granted to it by law, the county or the town may by resolution  
28 advance sums of money to or on behalf of the authority to defray costs  
29 or expenses of the authority to be incurred prior to the first issuance  
30 of bonds. Subject to the rights of any bondholders, the moneys so appro-  
31 priated may be repaid by the authority to the county or the town at such  
32 time and in such manner as may be agreed upon between the authority and  
33 the county or the town.

38 powers under this title. Any such transfer of property shall be upon  
39 such terms and conditions, subject to the rights of any bondholders, as  
40 the authority and the county, the town or the municipality may agree.

46 of employees; civil service. 1. In accordance with the provisions of  
47 section seventy of the civil service law, any officer or employee of a  
48 municipality transferred to the authority shall be eligible for such  
49 transfer and appointment, without further examination, to applicable  
50 offices, positions and employment under the authority. Any such officers  
51 or employees so transferred to the authority pursuant to this section,  
52 who are members of or benefit under any existing pension or retirement  
53 fund or system, shall continue to have all rights, privileges, obli-  
54 gations and status with respect to such fund or system as are now  
55 prescribed by law.

1 2. Nothing contained in this title shall be construed (a) to diminish  
2 the rights of employees pursuant to a collective bargaining agreement or  
3 (b) to affect existing law with respect to an application to the public  
4 employment relations board seeking a designation by the board that  
5 certain persons are managerial or confidential.

6 § 2681-j. Equal employment opportunity. The authority shall ensure  
7 that all employees or applicants for employment are afforded equal  
8 opportunity employment without discrimination on any basis prohibited  
9 under subdivision two of section forty-c of the civil rights law.

10 § 2681-k. Monies of the authority. All monies of the authority from  
11 whatever source derived shall be paid to the treasurer of the authority  
12 and shall be deposited forthwith in an interest-bearing account in a  
13 bank or banks designated by the authority. The monies in such accounts  
14 shall be paid out or withdrawn on the order of such person or persons as  
15 the authority may authorize to make such requisitions. All deposits of  
16 such monies shall be secured by obligations of the United States or of  
17 the state or of any municipality of a market value equal at all times to  
18 the amount on deposit and all banks and trust companies are authorized  
19 to give such security for such deposits. To the extent practicable,  
20 consistent with the cash requirements of the authority, all such monies  
21 shall be deposited in interest-bearing accounts. Any monies of the  
22 authority not required for immediate use or disbursement may, be  
23 invested in accordance with section ninety-eight or ninety-eight-a of  
24 the state finance law.

25 § 2681-l. Contracts. 1. All contracts for the construction, recon-  
26 struction, rehabilitation or improvement of buildings let by the author-  
27 ity shall comply with the provisions of section two hundred twenty of  
28 the labor law and shall also be subject to the provisions of law appli-  
29 cable to contracts let by a municipal corporation, except as otherwise  
30 provided in this title.

31 2. All contracts for the construction, reconstruction, rehabilitation  
32 or improvement of buildings let by the authority shall be in conformity  
33 with the applicable provisions of section one hundred thirty-five of the  
34 state finance law.

35 3. The authority may, in its discretion, assign contracts for super-  
36 vision and coordination to the successful bidder for any subdivision of  
37 work for which the authority receives bids. Any construction contract  
38 awarded by the authority shall contain such other terms and conditions  
39 as the authority may deem desirable. The authority shall award any  
40 construction contract involving an expenditure of more than thirty-five  
41 thousand dollars to the lowest bidder who, in its opinion, is qualified  
42 to perform the work required and who is responsible and reliable. The  
43 authority may, however, reject any or all bids or waive any informality  
44 in a bid if it believes that the public interest will be promoted there-  
45 by. The authority may reject any bid, if, in its judgment, the business  
46 and technical organization, plant, resources, financial standing, or  
47 experience of the bidder justifies such rejection in view of the work to  
48 be performed.

49 4. For the purposes of article fifteen-A of the executive law only,  
50 the authority shall be deemed a state agency as that term is used in  
51 such article, and all contracts for procurement, design, construction,  
52 services and materials shall be deemed state contracts within the mean-  
53 ing of that term as set forth in such article.

54 § 2681-m. Annual report and audit. In conformity with the provisions  
55 of section five of article ten of the constitution, the accounts of the  
56 authority shall be subject to the supervision of the comptroller and an

1 annual audit shall be performed by an independent certified public  
2 accountant. The authority shall annually submit to the county legisla-  
3 ture, town board, governor and the comptroller and to the chairperson of  
4 the senate finance committee and the chairperson of the assembly ways  
5 and means committee a detailed report pursuant to the provisions of  
6 section twenty-eight hundred of this chapter, and a copy of such report  
7 shall be filed with the clerk of the county legislature and the clerk of  
8 the town board.

9 § 2681-n. Defense and indemnification. 1. The authority shall not  
10 execute any of its powers except as necessary to commence its corporate  
11 existence, until it has elected to make the provision of section eigh-  
12 teen of the public officers law applicable to its employees (as such  
13 term is defined in section eighteen of the public officers law) pursuant  
14 to subdivision two of such section; provided, however, that nothing  
15 contained within this section shall be deemed to permit the authority to  
16 extend the provisions of section eighteen of the public officers law  
17 upon any independent contractor.

18 2. Neither the members of the authority, nor the county, the town, or  
19 any municipality, officer or employee acting on the authority's behalf,  
20 while acting within the scope of his, her or its authority, shall be  
21 subject to any personal liability resulting from the construction, main-  
22 tenance or operation of any of the properties of the authority or from  
23 carrying out any of the powers expressly given in this title; provided,  
24 however, that this shall not be held to apply to any independent  
25 contractor.

26 § 2681-o. Action by or against the authority. 1. Except in an action  
27 for wrongful death, no action or special proceeding shall be prosecuted  
28 or maintained against the authority, its members, officers or employees  
29 for personal injury or damage to real or personal property alleged to  
30 have been sustained by reason of the negligence, tort or wrongful act of  
31 the authority or of any member, officer, agent or employee thereof,  
32 unless (a) notice of claim shall have been made and served upon the  
33 authority within the time limit set by and in compliance with section  
34 fifty-e of the general municipal law, (b) it shall appear by and as an  
35 allegation in the complaint or moving papers that at least thirty days  
36 have elapsed since the service of such notice and that adjustment or  
37 payment thereof has been neglected or refused, and (c) the action or  
38 special proceeding shall be commenced within one year and ninety days  
39 after the happening of the event upon which the claim is based. An  
40 action against the authority for wrongful death shall be commenced in  
41 accordance with the notice of claim and time limitation provisions of  
42 title eleven of article nine of this chapter.

43 2. Whenever a notice of claim is served upon the authority, it shall  
44 have the right to demand an examination of the claimant relative to the  
45 occurrence and extent of the injuries or damages for which claim is  
46 made, in accordance with the provisions of section fifty-h of the gener-  
47 al municipal law.

48 3. The authority shall have power to settle or adjust all claims in  
49 favor of or against the authority.

50 4. Any action or proceeding to which the authority or the people of  
51 the state may be parties, in which any question arises as to the validi-  
52 ty of this title, shall be preferred over all other civil causes of  
53 action or cases, except election causes of action or cases, in all  
54 courts of the state and shall be heard and determined in preference to  
55 all other civil business pending therein except election causes, irre-  
56 spective of position on the calendar. The same preference shall be

1 granted upon application of the authority or its counsel in any action  
2 or proceeding questioning the validity of this title in which the  
3 authority may be allowed to intervene. The venue of any such action or  
4 proceeding shall be laid in the supreme court of any of the participat-  
5 ing counties.

6 5. The rate of interest to be paid by the authority upon any judgment  
7 for which it is liable, shall be the rate prescribed by section five  
8 thousand four of the civil practice law and rules.

9 6. All actions or proceedings against the authority of whatever nature  
10 shall be brought in a supreme court in the county or the county of Sara-  
11 toga.

12 § 2681-p. Track, bridge, signal, station and other facility operation  
13 and maintenance. The operation, maintenance and use of track, bridges,  
14 signals, freight stations, passenger stations and other facilities shall  
15 be public purposes of the authority, the county and the town. The total  
16 cost to the authority of operation, maintenance and use of each track,  
17 bridge, signal, freight station, passenger station and other facility  
18 within the county or the county of Saratoga and serviced by one or more  
19 railroad facilities of the authority or corporations, including the  
20 buildings, appurtenances, platforms, lands and approaches incidental or  
21 adjacent thereto, shall be borne by the authority. Provided, that, no  
22 provision of this section shall be deemed to prohibit the authority from  
23 delegating or assigning the duties assigned to the authority pursuant to  
24 this section and the costs thereof to a third party operator or common  
25 carrier which is licensed, cleared or otherwise authorized to use the  
26 track, bridge, signal, station and/or other facility operated and main-  
27 tained pursuant to this section.

28 § 2681-q. State, county, town and municipalities not liable for obli-  
29 gations of the authority. 1. Neither the state, the county, the town,  
30 nor any municipality or public corporation shall be liable on any bond,  
31 note or other obligation of the authority, and such bonds, notes or  
32 other obligations shall not be debts of the state, the county, the town,  
33 nor any municipality or public corporation, and such bonds, notes or  
34 other obligations shall contain a statement to such effect.

35 2. Nothing in this title shall be construed to obligate the state in  
36 any way in connection with the operations and obligations of the author-  
37 ity.

38 § 2681-r. Effect of inconsistent provisions. Insofar as the provisions  
39 of this title are inconsistent with the provisions of any other act,  
40 general or special, or of a county charter, any local law, ordinance or  
41 resolution of a municipality, the provisions of this title shall be  
42 controlling. Nothing contained in this section shall be held to supple-  
43 ment or otherwise expand the powers or duties of the authority otherwise  
44 set forth in this title.

45 § 2. The second undesignated paragraph of paragraph (d) of subdivision  
46 4 of section 14-k of the transportation law, as amended by chapter 75 of  
47 the laws of 2000, is amended to read as follows:

48 The commissioner shall request the project sponsors to furnish such  
49 information in writing as may be necessary. For the purposes of this  
50 section, the Chautauqua, Cattaraugus, Allegany and Steuben southern tier  
51 extension railroad authority shall be an authorized project sponsor.  
52 Furthermore, for the purposes of this section, the Corinth and Warren  
53 railroad authority shall be an authorized project sponsor.

54 § 3. Severability. If any clause, sentence, paragraph, section or part  
55 of this act shall be adjudged by any court of competent jurisdiction to  
56 be invalid and after exhaustion of all further judicial review, the

1 judgment shall not affect, impair or invalidate the remainder thereof,  
2 but shall be confined in its operation to the clause, sentence, para-  
3 graph, section or part of this act directly involved in the controversy  
4 in which the judgment shall have been rendered.  
5 § 4. This act shall take effect immediately.

Sirs:

When we had to carry Insurance for Warren County we said ok. I Gaston Sioui did not realize that they wanted a 3 million dollar Insurance Policy on the property. When the Insurance was set, there was a Diner on our property. The Diner has since closed and has been for three years.

The Insurance Company did the research for the Insurance, we were told by them we would have to have a Umbrella Policy. They also said we would never be able to afford it. The area we are talking about is only 12' X 150' that amounts to 1 Million for 600 square feet. We have 1800 square feet of parking lot.

Our Post is a small. We have 95 member most are too old to patronize. The rest are in the Middle East. Our yearly Insurance cost is around Three Thousand Dollars and we have to make payments.

We also have to maintain the parking lot area, when we opened our doors the parking lot was all Dirt. Now the parking lot has Millings on it and its like Black Top. We just repaired pot holes that cost the Post Five hundred dollars for Cold Patch and man power. We take care and maintain the parking lot as per Contact.

If we have to go with the Umbrella Policy it would definetly break us. We would not be able to give donations to our list of Organizations (Approx. 35 - 40) We also hand out boxes of food, toys & clothing for Christmas. All this would have to stop.

I hope you take all this in to consideration no Diner, we use the building for storage for wheel chairs, walkers, crutches & hospital beds, Etc.

We have not had any problems in the past five to six years.

I hope this information will help you make the right decision.

Paul,

As discussed yesterday afternoon, the annual premium for the insured's current Package policy is \$2,459.20. This policy has a General Aggregate of \$2,000,000 with respects to any liability claim. If the insured were to purchase a separate Umbrella policy for \$1,000,000 that minimum premium for the policy is \$1,500 (subject to taxes and fees).

Hi Paul

DEC will not be stocking Trout Lake this year.

As you know, the issue is whether or not the current public access is adequate to justify stocking fish raised with public funds. It seems that within DEC we are approaching consensus that the access is adequate - in contrast to the decision that was made a few years ago. But we would also want to talk with some of the constituents groups. It would be an easier decision if the town would lower the height of the posts in the trail so that its easier to carry boats in.

Even if we decide to resume the stocking, our stocking plans for 2012 were set late last year. Thus a decision to stock would not take effect until 2013.

Incase you have not seen it, check our the recent article about Trout Lake:  
[http://poststar.com/news/local/to-be-trout-less-lake/article\\_7897a514-4324-11e1-9efb-0019bb2963f4.html#ixzz1k2WWbfm2](http://poststar.com/news/local/to-be-trout-less-lake/article_7897a514-4324-11e1-9efb-0019bb2963f4.html#ixzz1k2WWbfm2)

 Emily,

Will DEC be stocking Trout Lake this year ?

If so, could you advise me as to how many, species and the average length to be stocked ?

If not, could you advise me as to the reason(s) why DEC will not be stocking it ?

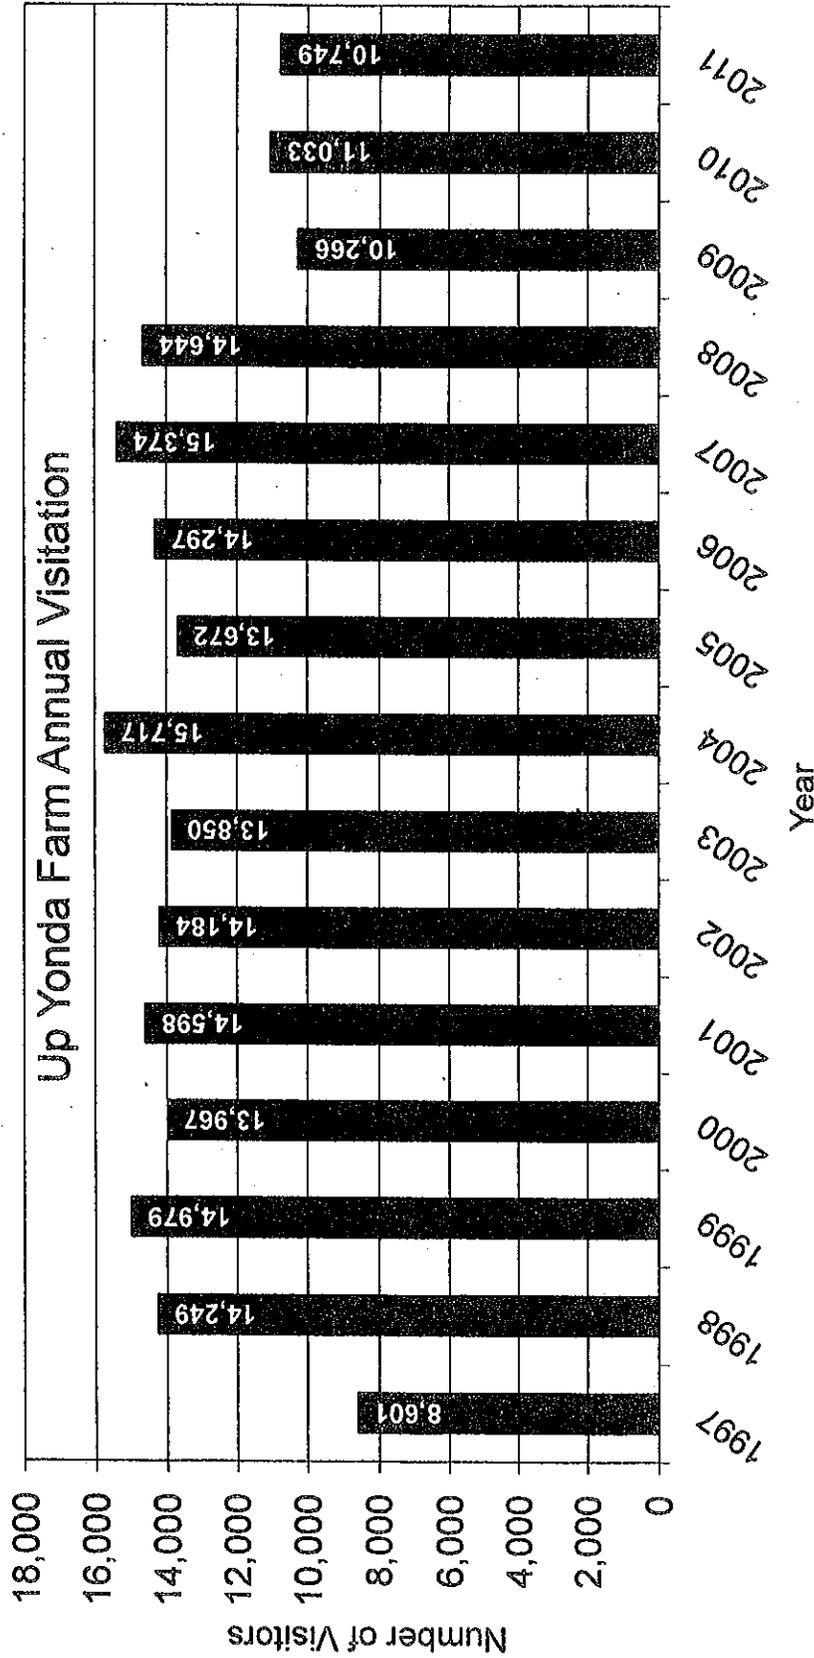

I am aware there have been access issues to the lake in the past.

To date, have those issues been resolved or will they be resolved in the near future ?

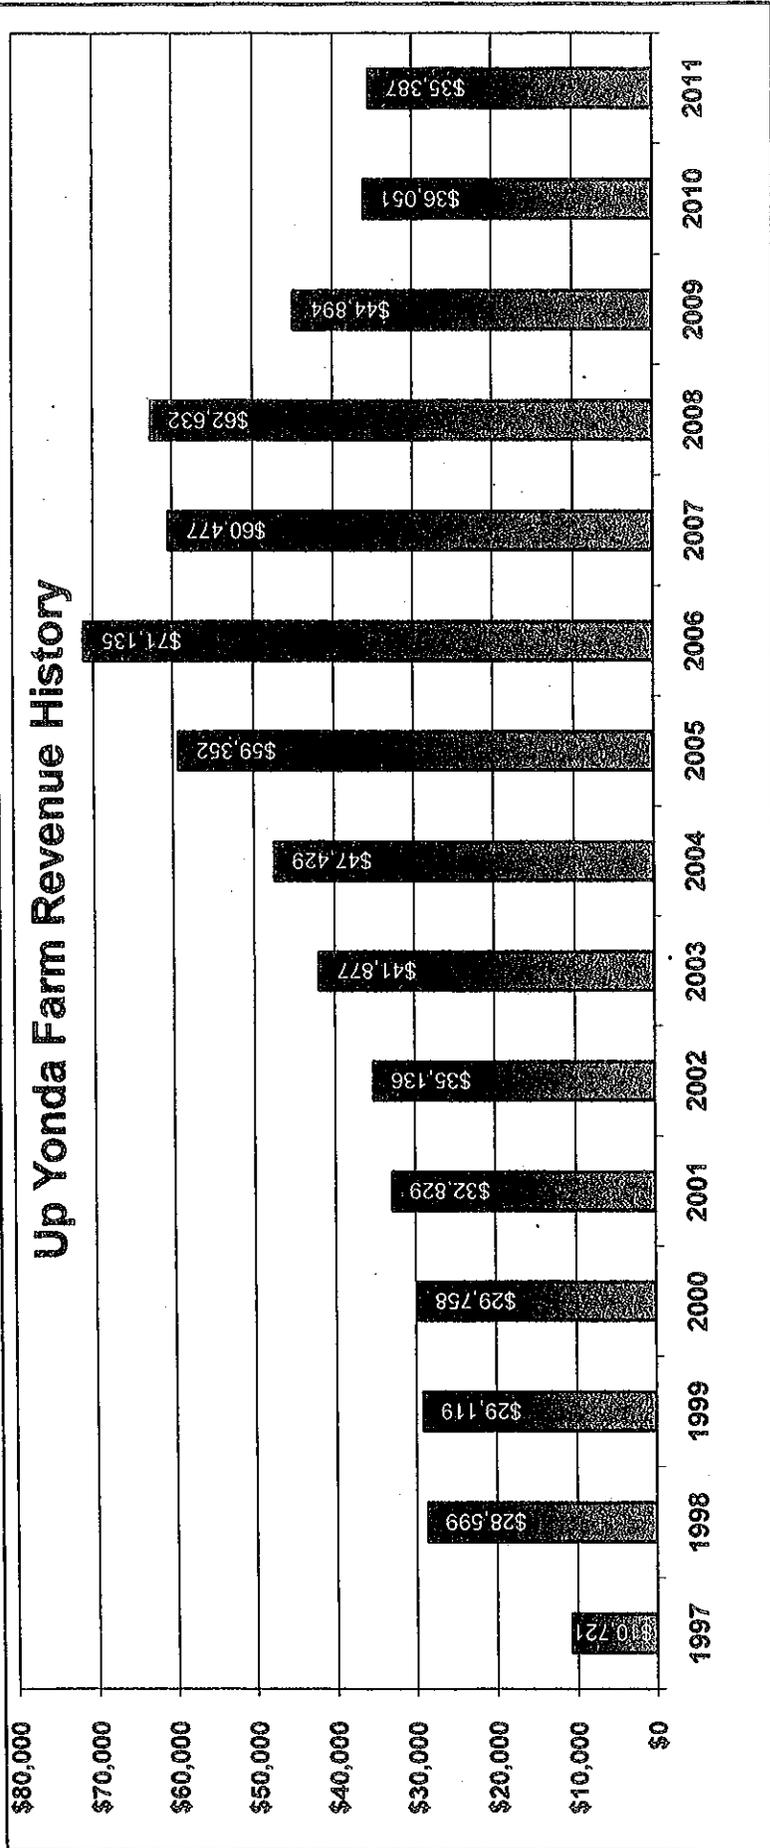

Thank you.
