RESOLUTION #2-

**OPPOSING PROPOSED AMENDMENTS
TO THE ELECTION LAW**

Mr. Cook offered the following, and moved its adoption:

WHEREAS, a series of proposed amendments to the New York State Election Law have been introduced the in the Senate and Assembly of the State of New York, and

WHEREAS, as proposed, said bills will have a deleterious effect on county Boards of Elections, and will certainly significantly increase the cost of elections, and

WHEREAS, bills #A.689/#S.1461, propose to enact a new Title VI to the Election Law entitled "Early Voting," and

WHEREAS, the proposed Early Voting amendment would require voting be allowed 14 days before a general election and seven (7) days before any primary election, at a minimum of five (5) polling places in each county from 8:00 AM until 7:00 PM each day, including weekends, and

WHEREAS, in addition to the 14- or 7-day Early Voting term prescribed, the amendment also states: "Local Boards of Elections may purchase direct recording electronic machines to be used solely for early voting..." and

WHEREAS, bills #A.172/#S.609, as well as #A.2099/#S.1549 propose nearly identical amendments to Election Law; to provide for same-day registration of voters, at the polling place, during the hours that the polling place is open for voting, and

WHEREAS, while the procedure to register said prospective voter is unspecified, it is not unreasonable to infer some type of internet connection would be required, and

WHEREAS, internet access for the conduct of an election or voter registration is not available at the Polling Places in Chenango County, and

WHEREAS, while the Early Voting amendment does concede to additional costs incident to its implementation, the Same-day Registration proposal contends no fiscal impact, which is a dubious assertion, and

WHEREAS, none of the proposed amendments to Election Law stipulate any financial assistance to implement their programs, and

WHEREAS, compliments of the federal Help America Vote Act of 2002 (HAVA), the cost of elections in Chenango County has increased 130% since 2006, and

WHEREAS, these proposed amendments to State Election Law are again a case study of unfunded mandates imposed upon local governments, and

WHEREAS, given the current climate within which local governments must operate, it is truly unfortunate and disingenuous that the legislature of the State of New York would continue to consider unfunded mandates, and

WHEREAS, the Chenango County Board of Supervisors must voice its strong opposition to the proposed amendments to Election Law,

NOW, THEREFORE, be it

RESOLVED, That the Chenango County Board of Supervisors be and hereby voices its strong opposition to the proposed amendments to Election Law, to wit:

- #A.689/#S.1461 - An Act to amend the election law, in relation to early voting
- #A.172/#S.609 - An Act to amend the election law, in relation to allowing for polling place voter registration for any qualified person who is not registered to vote

- **#A.2099/#S.1549** - An Act to amend the election law, in relation to allowing for polling place voter registration for any qualified person who is not registered to vote

and be it further

RESOLVED, That the Clerk of this Board of Supervisors shall forward certified copies of this Resolution to Governor Andrew M. Cuomo, Senator James L. Seward, Senator Thomas W. Libous, Assemblyman Clifford W. Crouch, Assemblyman Gary D. Finch, other New York counties, and the New York State Association of Counties (NYSAC).

SUPPORT SERVICES COMMITTEE
(INSURANCE)

January 25, 2013 @ 9:30am

Information Submitted By: Amy Clute, Insurance Administrator

Committee Members: Chairman, Supervisor Taylor
Supervisor Strainer
Supervisor Loeb
Supervisor McDevitt
Supervisor Frasier
Supervisor Mason
Supervisor Vanselow

I. Committee meeting called to order by Chairman Taylor.

II. Motion to approve minutes of prior committee meeting.

III. Action agenda – matters requesting Resolutions of the Board and / or committee approval.

1. Requesting Committee agreement to terminate the National Flood Insurance on 7 buildings located at the Fairgrounds effective as of 2/9/13 expiration date. Renewal premiums total \$3,012. The coverage was approved by the Support Services Committee on 12/14/11. However, the subsequent Support Services Committee (different membership) decided at the 2/1/12 meeting not to authorize similar coverage on a more valuable building (rest rooms) at the Fairgrounds. Discussion pertained to the possible sale of the Fairgrounds and likelihood that the buildings would not be rebuilt if damaged. Therefore, I question the appropriateness of coverage on the buildings of lesser value. I spoke with Jack Bieniek, Cool Insuring Agency who now recommends termination of the policies if the buildings were not to be rebuilt. I spoke with Jeff Tennyson, Superintendent of Public Works who also recommends termination of the policies. (See attached details)
2. Contracts expiring during 2013, request committee agreement. Per the Purchasing Agent, resolutions are not needed for the actions requested.
 - a. Property and Casualty Insurance Broker Services. Current Broker is Cool Insuring Agency Inc. This was a 3 year contract (9/22/07-9/22/10) which was then extended for 3 additional years (9/22/10-9/22/13). No more extensions are available. An RFP will be issued and the results brought back to the Committee at a later date.
 - b. Legal Services for the Self-Insurance Plan. Current firm is Lemire Johnson. This was a 2 year contract (7/25/11-7/25/13) with options to renew two additional times for 2 years each. I am satisfied with the work of Lemire Johnson and would like to extend the contract for the time period of 7/25/13 -7/25/15.
 - c. Excess Workers' Compensation and Employers Liability Broker Services for the Self-Insurance Plan. Current Broker is USI Insurance (formerly TD Insurance). This was a 3 year contract (12/31/10-12/31/13) with an option to renew for one additional 3 year period. I am satisfied with the services and would like to extend the contract for the time period 12/31/13-12/31/16.
 - d. Health Broker Services. Current Broker is Capital Financial. This was a 3 year contract (9/22/10-9/22/13) with an option to renew for one additional 3 year period. Capital Financial has agreed to the same commission at 1.4% on the principal insurance policy plus standard commissions on the retiree and NYSHIP policies. Capital expects there will be an increase in services due to the Health Care Reform mandates and the Wellness Committee activities. I would like to extend the contract for the time period 9/22/13-9/22/16.
