- [Clerk of Board of Supervisors](#)

Responsive Design

The desktop view of the Warren County website features a navigation menu with buttons for HOME, VISITORS, RESIDENTS, GOVERNMENT, BUSINESS, FAQ, DEPARTMENTS, and CONTACT. A large banner image shows a scenic view of mountains. Below the navigation is a 'WELCOME TO WARREN COUNTY' section with introductory text. To the right is a 'POPULAR PAGES' section with links for 'For Government', 'February 2013 BOS Calendar', and 'BOS Monthly Calendars'. Below that is a 'QUICK LINKS' section with links for 'Board of Supervisors' and 'Employment'. A 'LATEST' section lists recent news items, including purchasing information for a nursing facility, BOS resolutions, and a DA award. At the bottom is a 'WARREN COUNTY BICENTENNIAL' section with a logo and text about the 200th birthday.

The small smartphone view shows a scaled-down version of the desktop site. The navigation buttons are smaller and more compact. The banner image is also scaled down. The text is smaller, and the overall layout is more vertical.

The medium smartphone view shows a more balanced layout. The navigation buttons are larger and more prominent. The banner image is still visible but scaled to fit the screen. The text is larger and more legible. The overall layout is more horizontal.

The large smartphone view shows a layout that is almost identical to the desktop version. The navigation buttons are large and clearly visible. The banner image is large and takes up a significant portion of the screen. The text is large and easy to read. The overall layout is very similar to the desktop version.

Small Page Size

- Our website is 9% of the average size*
- Loads faster on slow connections
 - Mobile
 - Dial-up
- Lighter on the County's bandwidth

• [*http://www.websiteoptimization.com/speed/tweak/average-web-page/](http://www.websiteoptimization.com/speed/tweak/average-web-page/)

Easy To Change

- Design is easier to modify
- New departmental pages easier to create, maintain
- Built with future projects in mind

Accessibility

- Designed with accessibility in mind
 - Sufficient contrast, font size
 - Readable by screen readers
 - We adhere to W3 standards
 - We follow accessibility guidelines:

Section 508 – WCAG – ARIA

Simple Organization

- Organized with logical categories, not departmental hierarchy
- Popular pages list
