RE: Festival for the Lake

Dear Paul,

I am writing you not certain what committee this request should be directed.

We have scheduled the second annual Festival for the Lake to take place on Saturday and Sunday September 20 & 21. This year, our committee, has decided to wrap the festival around the American Music Festival taking place at the Charles R. Wood Festival Space.

A private promoter, DenPubs, LLC is renting the Festival Space, charging admission and providing a variety of live music, food and beverages inside a gated area. A percentage of all ticket sales, sponsorships and vendor sales will be donated to our lake-saving festival.

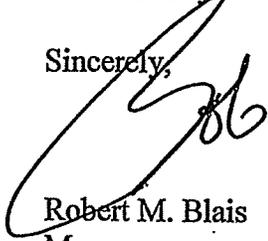

My concept plan is to expand the Music Festival outside the Festival Space with other activities including: craft show, children's rides and games, petting zoo, climbing wall, fireworks, balloon rides, etc. All of these proceeds will be donated to the lake as well.

To gain success and make it appear as one big festival I am asking for use of West Brook parking lot for the two-day event. I already have a Use Permit for the Battleground Park.

All our participants will have adequate insurance and be supervised during the festival by myself as chairman and Dave Harrington, DPW Superintendent.

Please let me know where to go with this! Thank you!

Sincerely,

Robert M. Blais
Mayor
