New York State Mental Hygiene Law

- MHL Article 41 requires the establishment by the county of a Local Governmental Unit (LGU), given authority in accordance with Article 41 to provide or arrange for local services.

Shared Local Governmental Unit

- Warren and Washington Counties have executed an Intermunicipal Agreement which details the sharing of one administrative office, the Office of Community Services for Warren and Washington Counties.
- Administrative costs are totaled and split evenly between the two counties, through an annual chargeback to Washington County.

New York State Mental Hygiene Law

- MHL Article 41 requires each local governmental unit (LGU) to have a Community Services Board (CSB).
- In counties with a population less than 100,000, the CSB can consist of either 9 or 15 members. Our counties each have nine-member boards.
