DEPARTMENT NAME: Planning & Community Development

DATE: June 18, 2018

- (a) Purpose of Request: To record a portion of the \$150,000 2015 County contribution to the Lake George Park Commission expended in the General Fund as State reimbursable expenditures in capital project H347 - Invasive Species Boat Washing.

In addition, to reduce the amount recorded as a 2014 advance payment from Warren County to the Lake George Park Commission (\$100,000), to establish the boat wash stations, in the amount of \$1,912.65. In reviewing expenses made by the Lake George Park Commission, towards this project, it was determined that some expenses occurred prior to the start date of the contract period (April 1, 2014). Although, the Lake George Park Commission expensed in excess of the \$100,000 (advanced by Warren County), expenses made outside of the contract period are deemed ineligible for utilization as match or for reimbursement towards the funding award.

The purpose of these requests are to ensure that only eligible contract activities are submitted to the New York State Department of State.

- (b) Details: \$1,445.29 will be recorded as reimbursable expenditures from the 2015 County contribution to the Lake George Park Commission.

Reduce the amount recorded as a 2014 advance payment from Warren County to the Lake George Park Commission (\$100,000), to establish the boat wash stations, in the amount of \$1,912.65.
