

Warren County Recreation Mapper

41% of Warren
County is comprised
of publicly owned
land and water open
to recreation

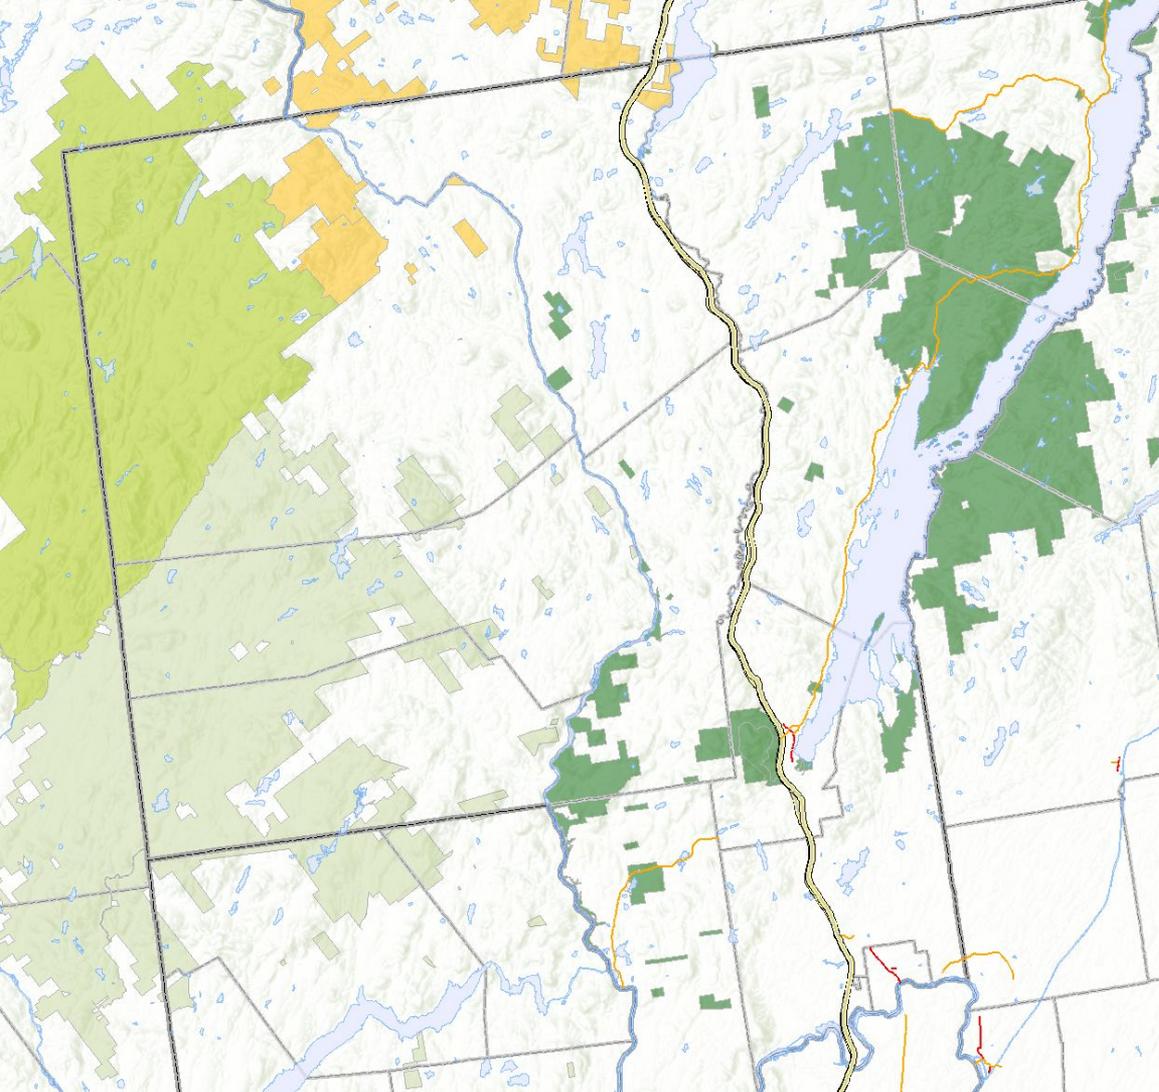

Outdoor Recreation is a main driver of
the County's economy

One of the main reasons many of us live here

This public land is a huge, for the most part underutilized, resource.

Within just Warren County's portion of the **Siamese Ponds Wilderness Area**, there are over 30 well-marked, well-maintained trails to named destinations

800+ waterbodies

130+ primitive campsites

**220+ miles of
hiking trails**

**50+ miles of mountain
biking and cross-country
ski trails**

63 parks

Recreation Mapper Goals:

- Provide a complete inventory of the County's public recreation resources in a single location
- Provide good details, with trail maps, photos, and links to additional information
- Show relationships between resources
- Be a useful resource for both visitors and county residents
