

**DRAFT LETTER TO THOSE WHO SUBMITTED PROJECT IDEAS THROUGH THE ONLINE PORTAL**

**June 14, 2022 v1**

---

To Whom it May Concern,

Thank you for submitting a project idea through our online portal. Your input has helped the ARPA Committee to understand the impacts of the pandemic, the needs of our residents and organizations, and important community projects.

Since we began the project idea solicitation process, the ARPA Committee has developed a list of 'priority spending areas' as well as a more detailed application for funding. The funding application is intended to steer applicants towards projects that fit within the legal use categories for ARPA funds as established by the US Treasury, and to assist the ARPA Committee in making fair and objective decisions about which projects to fund.

Please follow this link to the Warren County ARPA website where you will see an online application as well as additional information about requirements for grant recipients. If you have any questions about the grant application process please do not hesitate to reach out to: insert email address, or call xxx-xxx.
