**I. Committee Meeting Call to Order by Chair**

**II. Approval of minutes of prior Committee Meeting**

**III. Action Agenda/New Business Items:**

**IV. Discussion Items**

1. Work Order Request Program
2. Fleet Car Request Program
3. Countryside Adult Home - Update

**V. Referrals/Pending Items**

- 1) Discussion to continue regarding changes to the concrete area at the front entrance of the Municipal Center Building. (01.22.20) Update: Warren County Soil and Water Conservation District offered to apply for a grant on behalf of the County to obtain funds that could be used to rehabilitate the front entrance, addressing the concrete area while solving the standing water issue in the front parking lot road; these funds could be used instead of the bonded funds as initially planned. (06.21.21) Update: It was noted an update would be provided once it was determined whether Warren County Soil and Water Conservation District had received the grant intended to address water retention issues in that area. (10.19.21)
- 2) Supervisors Magowan, Bruno, Braymer (and any other Supervisors interested) to make up a working group with Kevin Hajos and Scott Rogers to discuss options for removal of asbestos from the old Jail and report back to Committee at a future meeting. (02.23.21) Update: Clark Patterson Lee working on three estimates which were to: completely remove the building; to abate and gut the building; and to completely gut the building and demolish it. (05.25.21) Update: A more in-depth review of the quotes received for demolition/renovation of the old jail would be made at the next meeting. (09.21.21) Update: A brief overview was provided relative to moving forward with updated testing for lead paint and asbestos in the old jail, it was noted that Clark Patterson Lee would be doing the additional testing and design work. A suggestion was made by Mr. Strough to convert the old jail into a regional coroner facility. (11.23.21)
- 3) Ongoing discussion regarding the proposed Joseph Warren Center at the former Detention Center and the status of condition of the building and the work required. (05.25.21) Update: Two task force groups to be established, one for the Joseph Warren Museum, and another for developing the building. (06.21.21) Update: Additional meetings would be held to determine how the asbestos and lead paint that had been detected in the former Detention Center would be addressed. (09.21.21)
