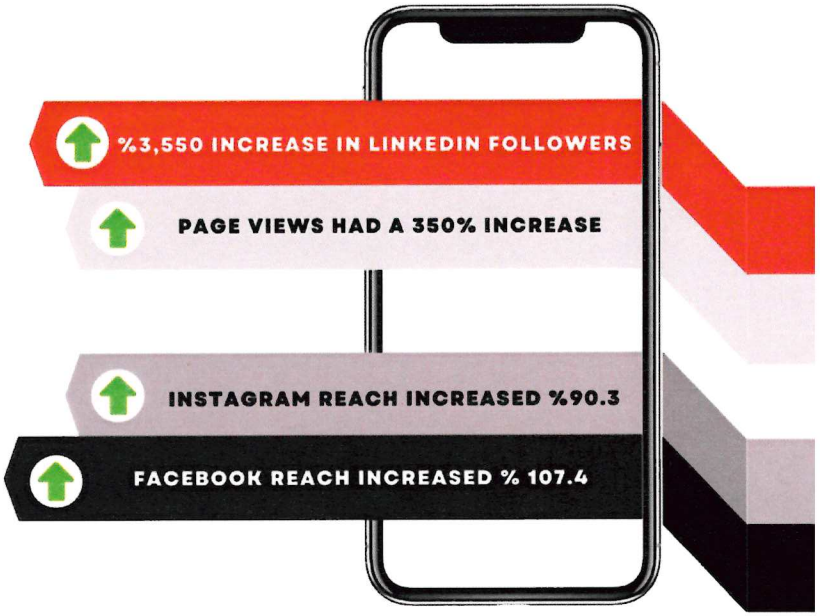
BSL = BROADBAND SERVICEABLE LOCATION

PRE-PANDEMIC SERVED BSL % (2019)	CURRENT SERVED BSL % (2023)
86.8%	94.7%

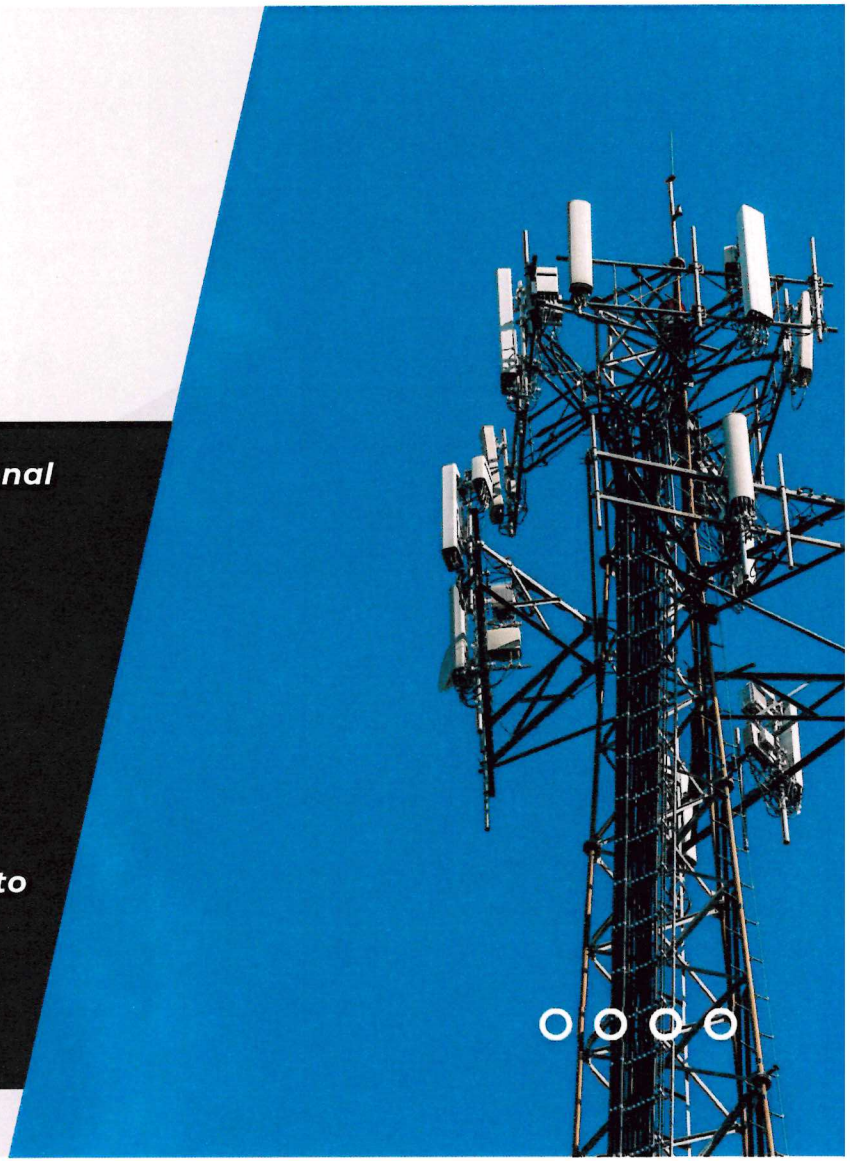
MEDIA ENGAGEMENT

LAST 90 DAYS



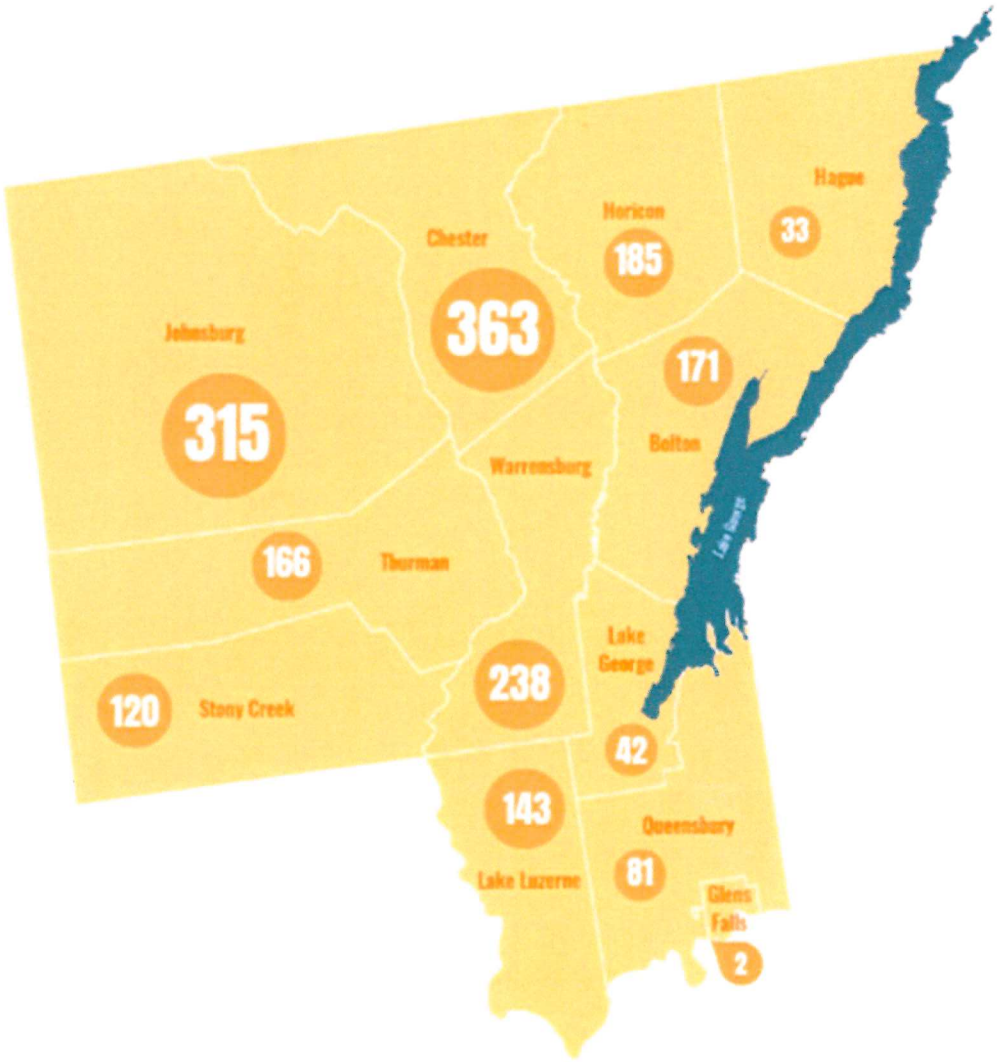
CURRENT INITIATIVES

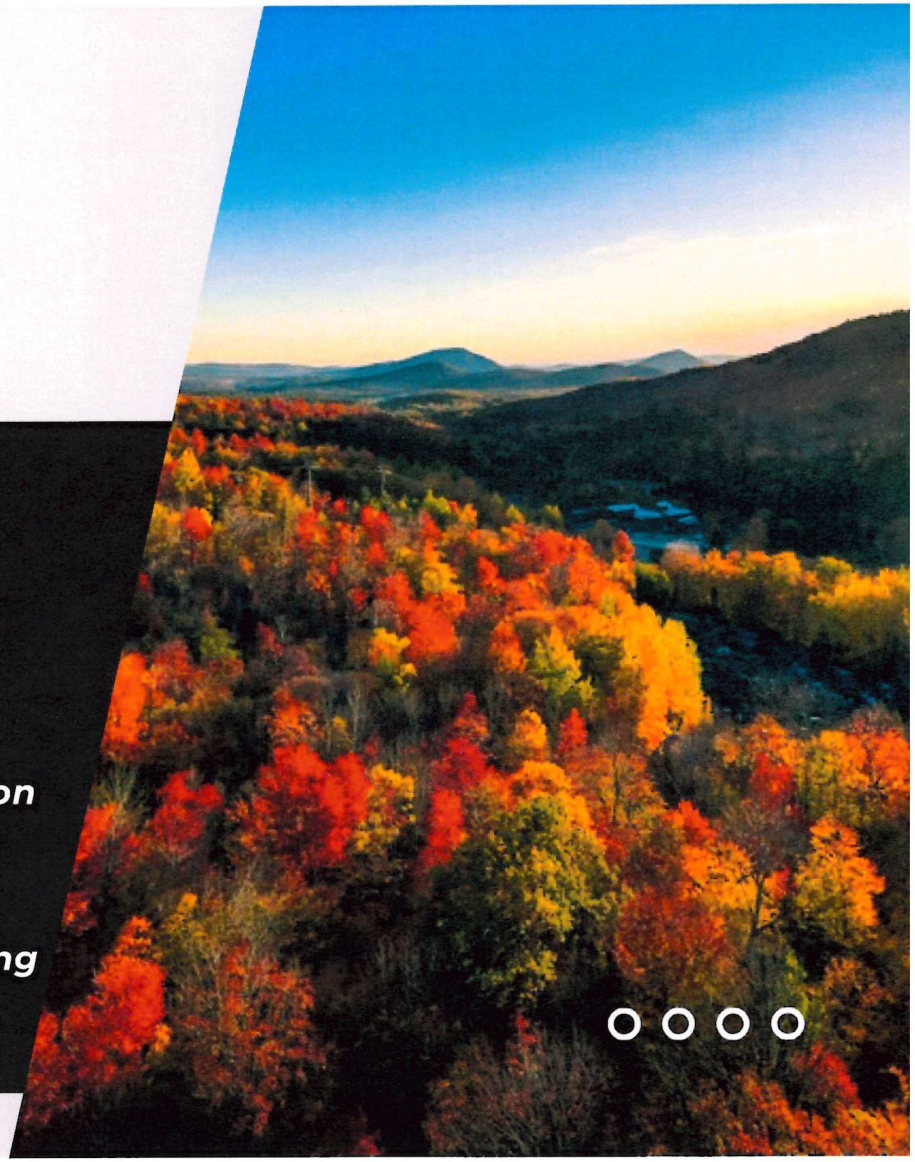
- *Continuing weekly North Country Broadband Alliance regional workgroup calls.*
- *Share information, gain feedback from municipal officials, providers, & technical experts.*
- *Working with Warren County GIS & LCLGRPB to verify and map most updated FCC data.*
- *Coordination with NYS ConnectAll Office (CAO).*
- *Giving input to CAO as they develop plans to be submitted to NTIA for Broadband (BEAD) and Digital Equity programs.*
- *NYS allocated $664 Million of the $42 Billion federal broadband (BEAD) funding.*



MORE WORK TO BE DONE.

MAP OF UNSERVED BSL LOCATIONS IN WARREN COUNTY



FUTURE GOALS & PLANS


- *Facilitate a presentation in October between CAO and the North Country Broadband Alliance.*
- *Work with providers of both last & middle mile on strategies to connect the remaining unserved.*
- *The CAO will seek each county to develop a plan on how to get to 100% connected.*
- *EDC is working with providers to examine extending service and if required find alternative solutions.*
