Details Photo Planning Study Additional

- GIS staff have updated the Capital Project Inventory maintained for all of the municipalities with relevant projects from the recently completed Hazard Mitigation Plan.
- This inventory is used by Planning Department staff to help identify projects potentially eligible for grant funding. It will also be used in the Comprehensive Planning process.
- We are asking all Supervisors to please review the projects for your municipality and return the project sheets by **December 5, 2023** via email, fax, or in person to Amanda Beck: [becka@warrencountyny.gov](mailto:becka@warrencountyny.gov)
