ABOUT SAIL

SAIL was founded as the Glens Falls Independent Living Center in 1988 with a mission to help people live more independently.

As a local non-profit, SAIL strives to provide the best services possible to ensure each individual we serve receives the help they need.

SAIL'S MISSION

SAIL promotes the independence, equality and dignity of people with disabilities in all aspects of personal and community life.

For people with disabilities and their families, Independent Living means knowing what services and supports are available and having the ability to choose the services that are right for each person.

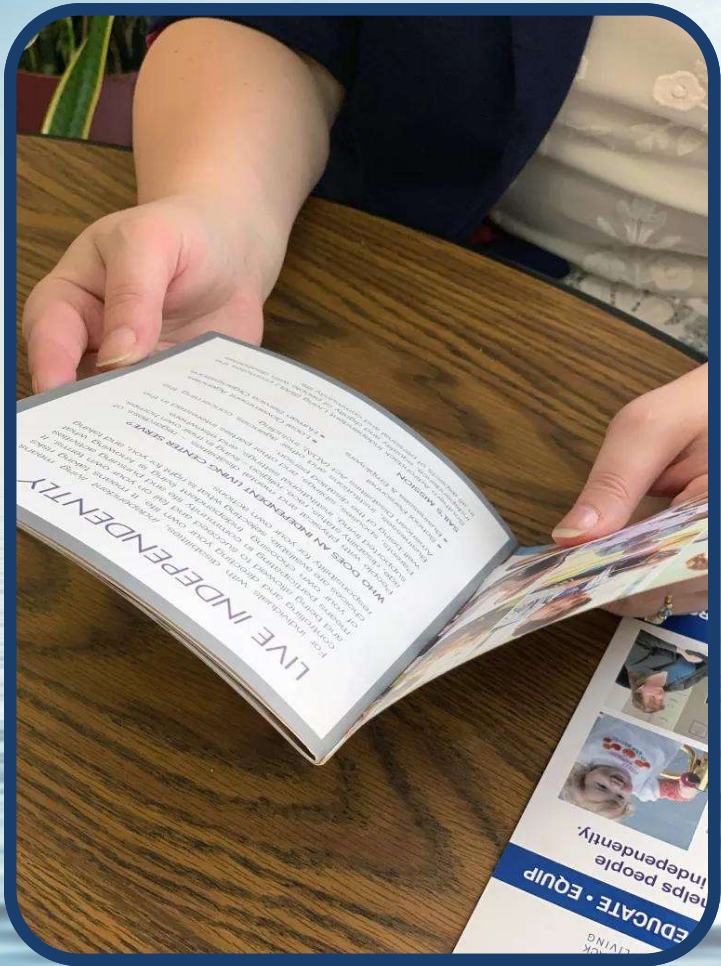

SERVICES

Sail helps with the following services:

- Health Insurance
- Equipment
- Advocacy
- Resources
- Transitions

SAIL promotes the independence, equality and dignity of people with disabilities in all aspects of personal and community life.

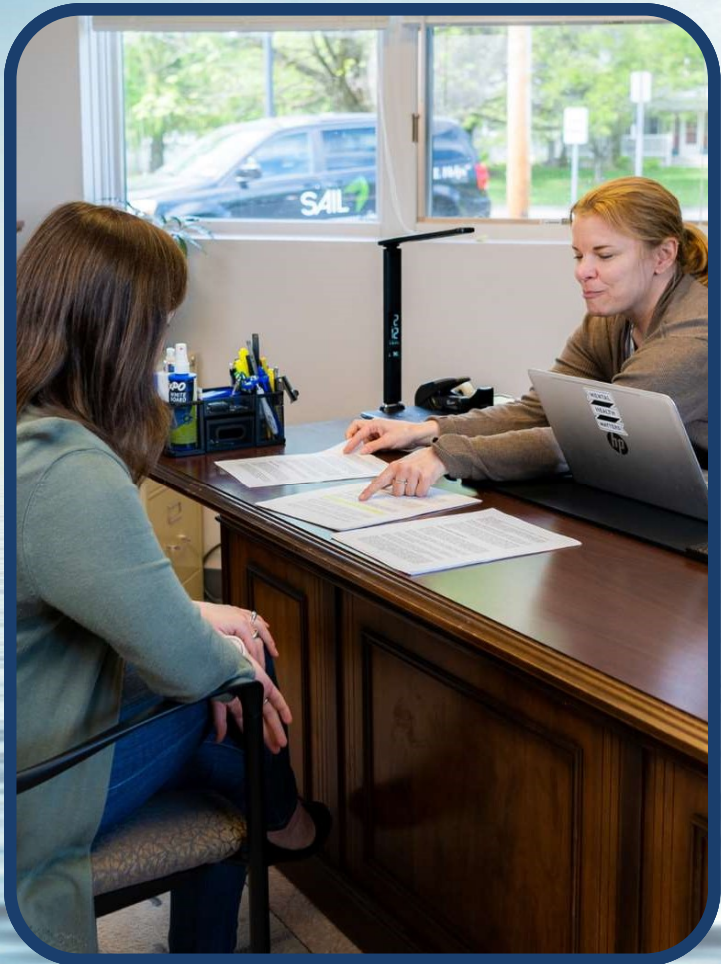

MEDICAID

SAIL helps consumers on a daily basis with Medicaid applications, denials, renewal issues, and overall frustration.

HOW CAN WE HELP?

SAIL would love to include our brochure and business card in these mailings to consumers. Then, if consumers have frustrations, they can reach out to SAIL directly for help.

SNAP & HEAP

SAIL helps consumers with SNAP and HEAP applications, renewals, and denials.
