**URGING NEW YORK STATE PUBLIC SERVICE COMMISSION
TO REJECT NATIONAL GRID'S PROPOSED
RATE INCREASES FOR ELECTRIC AND NATURAL GAS**

Pursuant to Section 153 of the County Law.

I. WHEREAS, National Grid has submitted a request to the New York State Public Service Commission (NYS PSC) asking for a rate increase of 15% for electricity and 20% for natural gas to take effect April 1, 2025, and

II. WHEREAS, these rate increases have to go through the NYS PSC for approval, and

III. WHEREAS, National Grid blames this rate increase on the cost of materials to build and maintain transmission networks, devaluation of the U.S. dollar, and ongoing increases to contractor costs, and

IV. WHEREAS, New York's electricity prices per kilowatt hour are approximately 5.97% higher than the national average, and

V. WHEREAS, said proposed rate increases are a consequence of the New York liberal democratic green energy policies pushing incentives and mandates which ultimately pass the financial burden onto consumers, and

VI. WHEREAS, New York State is responsible for the conditions that have led to the proposed rate increases with its high-cost and price-insensitive energy policies that are detached from the fiscal realities of the ratepayers and consumers, and

VII. WHEREAS, the higher rates will be burdensome on customers at a time when taxpayers are economically strapped through the high cost of inflation, and

VIII. WHEREAS, with the high cost of inflation, Cattaraugus County citizens, including retirees, seniors, those on fixed incomes, not-for-profits and people with disabilities, are living paycheck to paycheck struggling to make ends meet, and

IX. WHEREAS, another increase in another necessity will only create a heavier burden to the burden the citizens are already bearing, and

X. WHEREAS, this is just another reckless, cost insensitive green energy initiative that is being forced on National Grid by irresponsible New York State energy policies, now, therefore, be it

I. RESOLVED, that the Cattaraugus County Legislature hereby further urges the New York State Public Service Commission to reject the excessive rate increases proposed by National Grid for electric and gas, and be it further

II. RESOLVED, that the Cattaraugus County Legislature hereby condemns National Grid for its proposed excessive electric and gas rate increases, and be it further

III. RESOLVED, that the Cattaraugus County Legislature vehemently urges Governor Hochul and the New York State Legislature to protect the citizens of New York State from these proposed excessive rate increases, and be it further

IV. RESOLVED, that a copy of this resolution be forwarded to each county in New York State, encouraging member counties to enact similar resolutions, and be it further

V. RESOLVED, that the Clerk of the Legislature is hereby directed to forward a certified copy of this resolution to Governor Kathy Hochul, Senate Majority Leader Andrea Stewart-Cousins, Senate Minority Leader Rob Ortt, Assembly Majority Leader Crystal D. Peoples-Stokes, Assembly Minority Leader William Barclay, Senator George Borrello, Assemblyman Joseph Giglio, New York State Association of Counties, the Inter-County Association of Western New York, National Grid, and all others deemed necessary and proper.

This is to Certify that I, the undersigned, Deputy Clerk of the Legislature of the County of Cattaraugus, have compared the foregoing copy of resolution with the original thereof on file in this office and which was duly adopted by the Legislature of said County on the 12th day of June, 2024 and that the same is a true and correct transcript of such resolution and of the whole thereof.

In Witness Whereof, I have hereunto set my hand and the official seal of the Legislature of the County of Cattaraugus, this 19th day of June, 2024.
