**SUGGESTED SKATE ALLOCATION**

**52 Pairs @ \$2,910 per set**

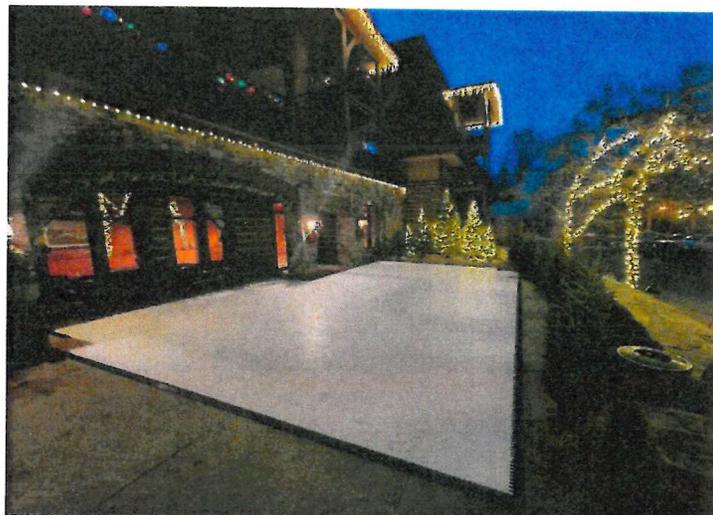

Based on your 35'x75' rink size, we suggest the attached allocation of skates and sizes to ensure you have optimal availability for when the surface is in full use.

**NOTES:**

-If you find you need additional skates in the future, you can re-order based on the trends you are experiencing.

-From a budgetary perspective, you could start with ~ 60% of these quantities and then based on demand, re-order based on rink usage / demand.

-These are Men's US Sizes – Skates will work for men or women. Typically, Women's Size are 1-2 sizes smaller than Men's. So, a 7 Man would fit a 5 or 6 Woman.

**RINK EDGING**

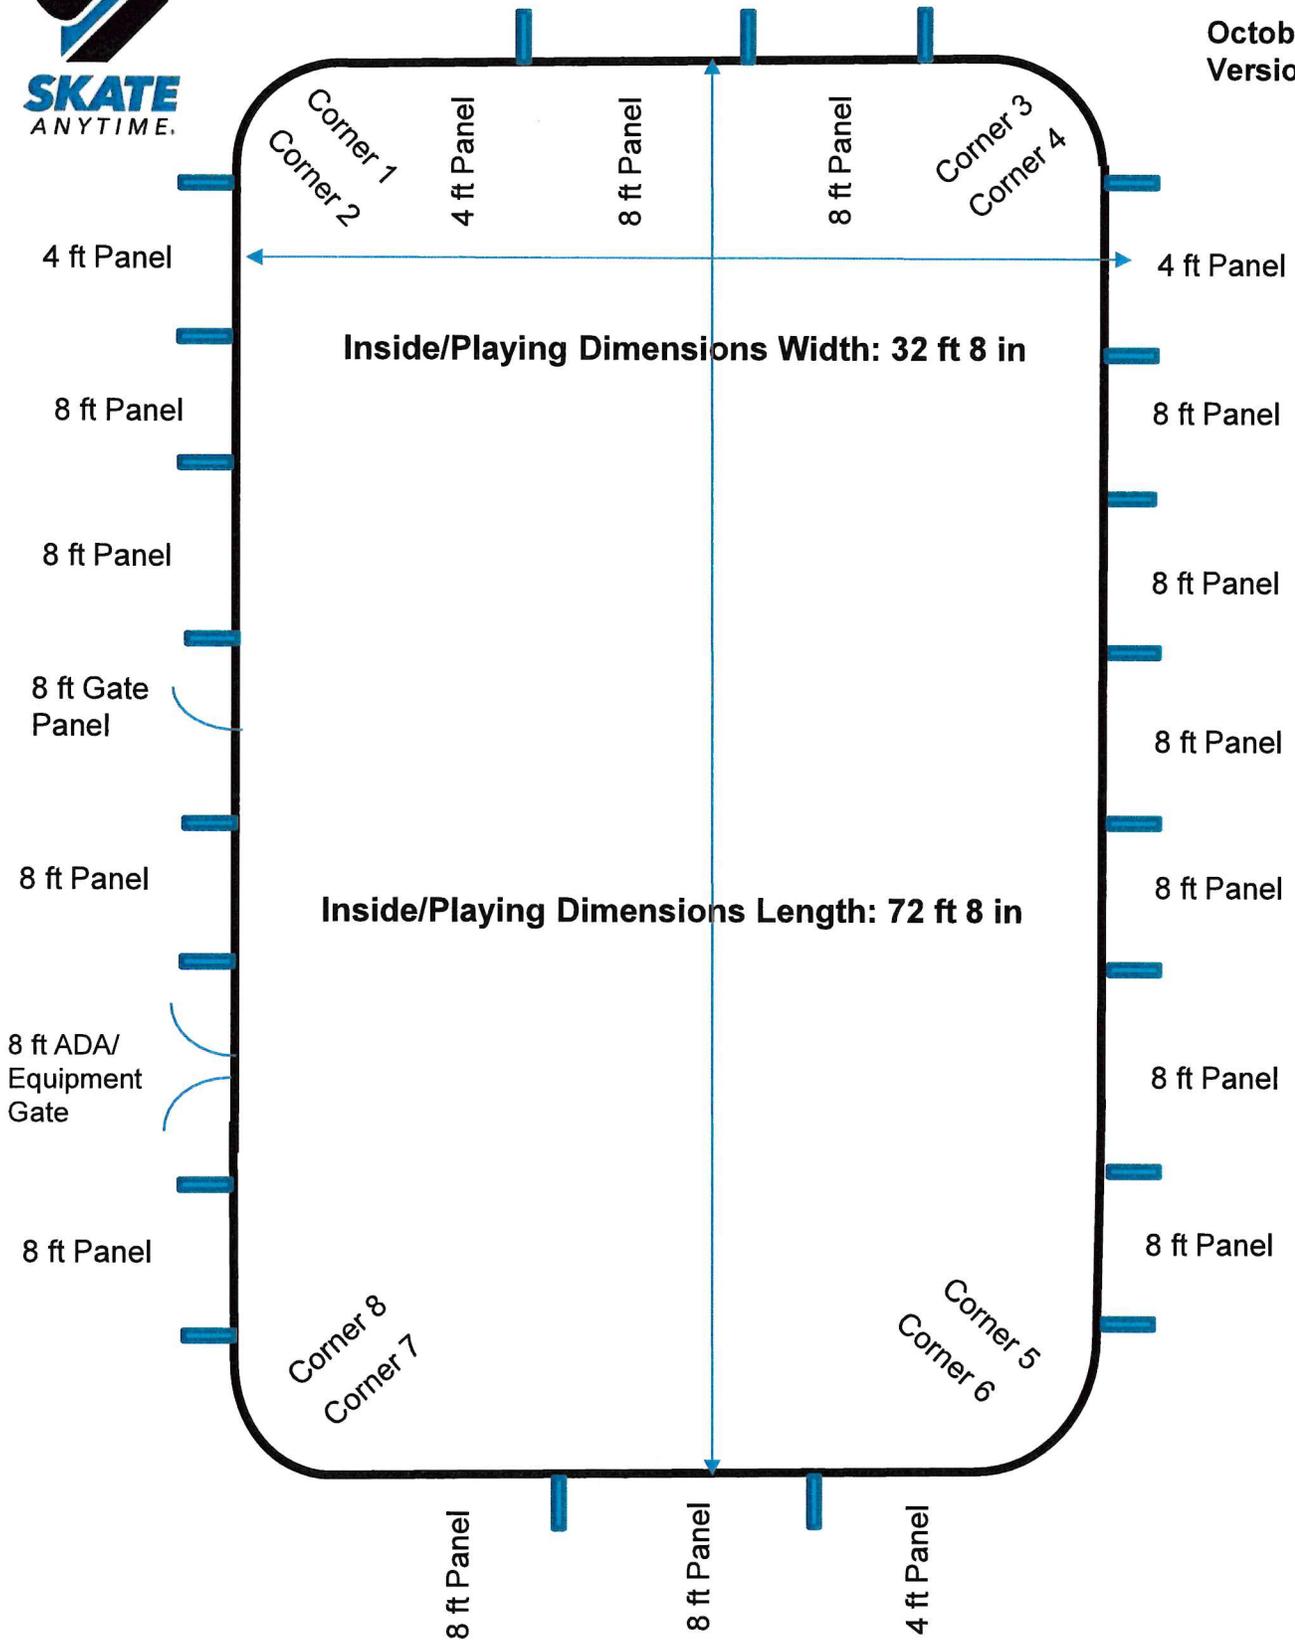

- Creates a stylish & finished rink
- Effortless to install & take apart
- All weather durable
- Made in USA
