Re: Glens Falls Police Datamaster

On the 09/16/2024 and again on 09/17/2024 we had multiple occasions where our simulator timed out while attempting to perform a weekly test. On 09/17/2024 at 07:30 the Datamaster DMT was taken out of service. The Datamaster was taken to DCJS - Highway Safety Technology Unit for repair on 9/17/2024. On 10/24/2024 the Datamaster was placed back in service and a weekly test was ran.

A handwritten signature in black ink, appearing to be "R. Pedone".
