

Warren County Board of Supervisors

Proclamation

WHEREAS, Having clean, potable water is imperative to the survival of mankind, and imperative economically to a community such as Warren County that relies on visitors enjoying our sparkling lakes and rivers, and

WHEREAS, National Water Quality Month has been observed annually in August since 2005, to promote civic discourse about how to conserve our natural water sources by starting conversations on what we can do in our own households and communities to ensure that we all have access to safe, clean drinking water for generations to come.

WHEREAS, National Water quality month also reminds us to take a moment to consider how important these water sources are not just to humans, but also to the other inhabitants of our ecosystems— whether it be the fish that live in the waters or the plants and animals that rely on these lakes and rivers for water just as we do, and

WHEREAS, Warren County has some of the most remarkable lakes, ponds and rivers in North America, from the renowned Lake George to Schroon Lake and Thirteenth Lake, the Hudson and Schroon rivers, and

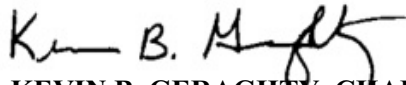

WHEREAS, Warren County is fortunate to have many dedicated organizations working toward preserving water quality, both in Warren County government and affiliated agencies such as Warren County Soil and Water Conservation District, Warren County Water Quality Strategy Committee, lake associations and numerous others, now, therefore, be it

RESOLVED, that I, Kevin B. Geraghty, Chairman of the Warren County Board of Supervisors, do hereby proclaim August to be

WATER QUALITY MONTH

in Warren County, to highlight the important role that water quality, and the organizations that protect it, play in our region's health and economy.

DATED: AUGUST 19, 2026

**KEVIN B. GERAGHTY, CHAIRMAN
WARREN COUNTY BOARD OF SUPERVISORS**
