DEPARTMENT NAME: DPW

DATE: 10/21/2026

(a) Purpose of Request: Amendment of Resolution 435 of 2025, a Memorandum of Understanding between Warren County and the Towns within Warren County, for hauling services provided by the Warren County DPW in 2027. The 2027 rate will increase from \$3.14 to \$3.45/mile due to an increase in fuel rates. This MOU will outline hauling costs for each town based on Warren County's operating expenses and the monthly reimbursement process, in a form to be approved by the County Attorney's office. Tipping fees will reflect the year 3 rates from bid WC 51-54. Due to the closure of the incinerator, the Municipal Solid Waste (MSW) tipping fee will match the Construction & Demolition (C&D) rate. The rate for 2027 will be \$90/ton for MSW, \$90/ton for C&D, and \$100/ton for Recyclables.

(b) Details: In an effort to reduce rising costs towns have faced with private hauling from transfer stations, to have better tracking data for waste volume, and improve inventory control over county owned waste containers, Warren County is continuing its hauling operation effective January 1, 2027. In addition to hauling fees reflective of Warren County's operating expenses, this MOU will include the process for towns to reimburse the county for the tipping fees secured through the Warren County bid.

(c) Previous Resolution Number: 435 of 2025
