Good Afternoon Emily,

No, this instrument is no longer in operation and it was actually never used for an evidential breath test. We got it in hopes that we could use it in what was to be the new Lake George Sub-Station. The plan for the station fell apart and we no longer needed the instrument. My apologies our Traffic Safety Unit did not contact you about this.

Thank you,

Ben

Good morning,

My apologies if you are not the correct contact, but I noticed that 113608 hasn't received weekly tests for 2026, is it no longer in operation?

Thank you,

Emily Caivano
